

**University of Glasgow
College of Medical, Veterinary & Life Sciences
School of Veterinary Medicine**

Senior Clinician/Clinician in Veterinary Neurology

Grade 8/9: £43,266 – £54,765/£51,630 - £63,463 per annum, this post may be eligible for a clinical supplement and there is a generous allowance for out of hours work.

Vacancy Ref: 024425

The post holder will deliver an efficient and effective small animal neurology referral service by providing expertise and clinical activity in the Small Animal Hospital.

You will undertake clinical research/scholarship within the neurology service thereby contributing to the School objectives relevant to national and international excellence in clinical service, teaching and research.

The role will also involve the delivery of clinical teaching to undergraduates, interns and residents.

You will be based at the Small Animal Hospital, located at the Garscube Estate, 10 minutes drive from the vibrant “West End” of Glasgow, and less than one hour from Loch Lomond.
