

Internship in Neurology and Neurosurgery
1 Year Fixed Term
£19,037.20 p.a

The Animal Health Trust is a large UK-based veterinary charity dedicated to veterinary science and animal health and welfare. The small animal clinic is committed to providing the highest standards of patient care, and has an active programme of post-graduate training (internships and residencies) and clinical research supported by on site laboratories and scientists.

We are looking for a neurology/ neurosurgery intern to join our team, who has ideally completed a one year general internship, with experience in UK practise and must be a graduated veterinarian.

Our clinic contains all the facilities expected of an advanced referral clinic including 1.5T MRI, 16 Slice CT, electrophysiology equipment, a full range of neurosurgical equipment, fluoroscopy, scintigraphy, videoendoscopy, and minimally-invasive and orthopaedic surgical equipment. We are a referral-only hospital with specialists in neurology, anaesthesia, diagnostic imaging, soft tissue surgery, internal medicine and oncology, ophthalmology, and dermatology.

The Internship will provide training in clinical neurology, neurosurgery, electrodiagnostics, neuroimaging, neuroanatomy, neurophysiology, and neuropathology. In addition, duties will include daily contact with our specialists in other clinical disciplines. The successful candidate will be required to assist the neurology clinicians/residents in daily care of patients, consultations, diagnostic procedures, neurosurgeries and will be encouraged to be involved in clinical research.

Benefits include an excellent pension scheme with employer contribution up to 8%, 20 days annual leave plus Bank Holidays, 24 hour employee assistance scheme and CPD allowance.

For initial enquiries and further information please contact: Elena Scarpante elena.scarpante@aht.org.uk; Dr Fabio Stabile fabio.stabile@aht.org.uk; or Dr Luisa De Risio, luisa.derisio@aht.org.uk.
