

**UNIVERSITY OF CAMBRIDGE
DEPARTMENT OF VETERINARY MEDICINE
West Cambridge Site**

CLINICAL NEUROLOGIST

Additional Market Pay, dependant on experience, subject to approval.

Limit of Tenure: 3 years in the first instance.

The Department seeks to recruit a Board certified or Board eligible Clinical Neurologist from 1 June 2019, to enhance provision of clinical neurology services and undergraduate teaching. The Clinical Neurologist will assist with the provision of clinical neurology services and develop his/her clinical skills in a well-equipped and strong academic environment. The successful candidate will be required to participate in the practical instruction of veterinary students, the training of Senior Clinical Training Scholars, and the out-of-hours rota.

Candidates must be members of the RCVS or hold a degree qualifying them for membership and must hold or be eligible to sit the examination for the European or American Diploma in Veterinary Neurology.

For informal enquiries about the position, please contact Julie Ingham ji217@cam.ac.uk

Applicants should submit a CHRIS/6, CV, covering letter outlining suitability for the role and contact details for two references.

Please ensure that you upload your Curriculum Vitae (CV) and a covering letter in the Upload section of the online application. If you upload any additional documents which have not been requested, we will not be able to consider these as part of your application.
